## Kier Construction

Issue 1 - Jan 2018

**Dear Neighbour,**

We would like to take this opportunity to introduce ourselves as the point of contact for Kier Construction who have been appointed to undertake the construction of Harris Academy Riverside.

Monthly News letter : Keeping you informed.

### What is Harris Academy Riverside ?

The works at Riverside include Construction of a 4 storey secondary school and a two storey Sports Hall together with three hard courts, a grass sports field, soft and hard land scaping and parking for the school staff.

### The construction is to be :

- Steel frame to both buildings
- Brickwork and insulated render to the main building
- Brickwork and insulated cladding to the sports hall
- Disabled lifts to both buildings
- Sports hall for school and external hire uses.
- Solar rooftop panels .
- Hall and dining facilities for school and external use.
- Building is designed to meet BREEAM 'Very Good' accreditation.

**Project Manager, Tony Black will be your first point of contact on site.**

## Kier Construction

Issue 1 - Jan 2018

## Kier are Considerate Constructors

The Code of Considerate Practice forms the basis of Kier's commitment to working in your community.

### Considerate

Our work will be carried out with consideration to your needs and the needs of those people who are vulnerable.

### Good Neighbour

We will provide you with regular updates on our progress but if you have any concerns you can contact our Site Manager on 07800 509452.

### Safe

We will ensure that the work on our site is carried out in a safe manner and that local residents including children are aware of the dangers of construction sites.

### Responsible

Everyone working on our sites receives an induction to help them understand what is expected while they are working on our site and how they can help maintain the standards set out in this code.

### Environment

We will work to minimise the effects of noise, light and air pollution. We will reduce waste, reuse and recycle materials where this has been identified as being possible.

### Respectful

We will treat all people with respect and our team will behave in a professional way.

### Cleanliness

Our site will be kept clean and in good working order. We will control dust and dirt from our construction operations so that we minimise the impact on the local surrounding homes.

### Accountable

To demonstrate our commitment to the Considerate Constructors Scheme we will display their poster in a public place.

## We want you to be involved!

Kier Construction London are working to bring a valuable and much needed new Teaching facility to Purfleet and we want to keep you informed and involved every step of the way!

If you are aware of anybody who has not received this newsletter, but is interested in receiving further updates, please make let us know.

Also, if you experience any nuisance or noise please let us know!

### Security

All our personnel will be readily identifiable. The site will be secured at the close of each working day.

### Considerate Constructors Scheme

A non-profit making, independent organisation founded in 1997 by the construction industry to improve its image **0800 783 1423**
